REMARKS

Amendments

Pursuant to the instructions of the Office of Patent Publication, the Applicants have moved Charts 1-6 from the specification into the drawings. Accordingly, the Applicants have added Figures 11-16 and have amended the specification to delete Charts 1-6 and to add reference to Figures 11-16 in the Brief Description of the Drawings and the Detailed Description of the Preferred Embodiments. The Applicants submit that these amendments are fully supported by the application as originally filed and that no new matter is added by these amendments. For example, see pages 25-29 of the specification as originally filed.

Claims

The Applicants include a listing of the claims allowed pursuant to the Examiner's Amendment in the Notice of Allowance. The Applicants request formal notification if the language of the claims presented herein differs from the language of the Examiner's Amendment.
